## Setting up a Named Fund

A donor-advised Fund with Kent Community Foundation (KCF) offers an individual, family or business all the advantages of creating their own named Charitable Fund, but without the administrative burdens and obligations associated with setting up and managing a charitable trust.

Fund-holders can be involved as little or as much as they wish in the grant-making process. KCF agrees with the donor the purpose and priorities of their fund from the outset (e.g. creating opportunities for young people) and typically, prepares a short-list of ideas from which the fund-holder advises grants they wish to be made. Many fund-holders choose to involve members of their family in grant-making decisions and an important benefit of a named fund with KCF is that it can be passed on to the next generation.
